

**FOR IMMEDIATE RELEASE: SEPTEMBER 2012**

**Anniversary celebrations for  
SHOWCASE AUSTRALIA**

with

**Connie Kis ANDERSEN**

September 8, 2012 marks the first anniversary of **SHOWCASE AUSTRALIA** with Connie Kis Andersen.

Almost 16 months ago, during CMA's Fan Fest in Nashville, Connie Kis was approached by Lee Williams, C.E.O. of **Country Music Radio Nashville** to present a one hour radio program showcasing Australian Country Music to CMR Nashville's world-wide listening audience.

A huge believer is supporting her industry, her peers and growing audiences to do so, Connie Kis hesitantly agreed to do the job and on September 8, 2011 her first radio show went to air.

*"I must admit, it was one of the hardest jobs I have ever taken on – especially having had no experience in the world of radio apart from being on the other side as a performer".*

*She continues; "A year later and it's a little bit easier but I still have absolutely no idea how presenters manage to do it live. Now, having had a taste of how much work and preparation goes into putting a show together, I pay my humblest respect to DJs, and extend my sincerest thanks to them for all the effort they put in on behalf of us artists".*

Going from strength to strength, **Showcase Australia** was recently picked up by **Nashville Broadcasting Radio Network FM**. NBRN.fm has affiliates around the world including terrestrial stations in Europe and South Africa, effectively broadening the reach of a possible fan base for Aussie Country Music.

*"I personally look forward to hearing our newest DJ Connie Kis on our radio station NBRN.FM each week. She always has fresh new music and insights and I think she is a beautiful person inside and out."* Keith Bradford of Keith Bradford Promotions

**Showcase Australia** goes to air on [NBRN.FM](http://NBRN.FM) on Tuesday afternoons at 5.00pm Nashville time and on [CMR Nashville](http://CMR Nashville) each week on Thursday 4.00pm; Friday 12.00 am (Midnight); Friday 8.00am; Sunday 7.00pm UK time. Weekly broadcasts differ between the networks to allow greater exposure for Aussie artists. Visit the [World Clock](http://World Clock) to work out a corresponding time in your neighbourhood.
